

PENETRATION TEST

LETTER OF COMPLETION

LETTER OF COMPLETION

1.1 DECLARATION

This document certifies that the organisation in section 1.2 has undergone penetration testing by Bulletproof, according to the scope as detailed in section 1.3

1.2 CLIENT DETAILS

NAME	Easy Software Ltd.
COMPANY NUMBER	08960980

1.3 TEST SCOPE

DATE & DURATION	January 12, 2026 - January 14, 2026
SCOPE	Unauthenticated Web application Assessment & Open Source Intelligence Gathering

1.4 METHODOLOGY

PARAMETERS	This Bulletproof penetration test used the CREST framework as an overarching methodology, into which we embedded the PTES and OWASP practices. These are specifically tailored for infrastructure and application penetration tests. Any automated tools that were used during the assessment had all plugins and signatures up to date.
